

WEEE Directive Statement

WEEE - Waste Electrical and Electronic Equipment - Directive came into force in 2007 to increase the re-use and recycling of electrical waste and limit the amount going to land fill.

Precision Refrigeration has completed the following actions in order that we, and our customers comply with this directive:

- Registration with Producer Compliance Scheme: Trade Compliance Limited - Licence Number: CB/DU86674
- Identified WEEE products using the crossed out wheelie bin and black bar symbol in accordance to legislation.
- Accept responsibility to finance the cost of treatment and recycling of all WEEE product, however, a nominal charge is applied for its safe transportation.

If you have a product that needs disposing of in compliance with WEEE, please contact Precision Refrigeration with the following information:

- Manufacturer
- Model
- Serial Number
- Original Purchase Date

Units must be clean, empty and available for kerbside collection with no vehicle access restrictions

Precision Refrigeration reserves the right to amend its policies without notice.

A handwritten signature in black ink, appearing to read "Nicholas Williams", with a long, sweeping horizontal stroke extending to the right.
